

INFORMATION DISCLOSURE STATEMENT

Title of Application: On-Board Power Generation System for a Guided Projectile

Inventors: Brian J. Smith and Kevin D. Kennedy

Docket Number: AMPC 5055-Div

Applicants are aware of no information which, in their opinion, is material to patentability of the invention described in the application and which is not cumulative to information already of record, if any, in the parent application (serial no.: 10/463,934; filing date: June 16, 2003) and which further establishes, by itself or in combination with other information, a *prima facie* case of unpatentability of a claim in this divisional application.
